

THE ESF ROADSHOW IS COMING TO REGION 13 ON MAY 2-3, 2019!

Register and learn more at www.TexasESF.org.

The **EFFECTIVE SCHOOLS FRAMEWORK (ESF)** is comprised of five prioritized levers: at the core is effective instruction: interactions between students, teachers, and content determine learning outcomes. This instructional core is strengthened and supported by effective, well-supported teachers, high-quality curriculum, and positive school culture. Strong school leadership and careful planning ensure each of the levers are prioritized.

The framework describes essential actions and district commitments for each of these five prioritized levers. The Essential Actions describe what the most effective schools do to support powerful teaching and learning.

The ESF was developed in conjunction with school and district leaders and included a national review of research about what makes high-performing schools excellent.

The goal of the **EFFECTIVE SCHOOLS FRAMEWORK (ESF)** is to provide a clear vision for what districts and schools across the state do to ensure an excellent education for all Texas students.

How does the ESF support all campuses and districts to significantly improve academic outcomes for all Texas students?

The ESF:

... identifies and focuses on best practices that significantly improve academic outcomes for all Texas students.

... is the basis for high-quality training and resources that help campuses implement the elements of the framework

... aligns efforts and resources across districts, ESCs, external partners, and the TEA to ensure coherent supports for campuses.

SAVE THE DATE: ESF ROADSHOW

Get a high-level overview of the ESF and engage in implementation processes.

ESC 13: MAY 2-3, 2019

5701 Springdale Road
Austin, TX 78723

The Texas Education Agency (TEA) works to improve outcomes for all public school students in the state by providing leadership, guidance, and support to school systems, working towards the vision that every child in Texas is an independent thinker who graduates as an engaged, productive citizen prepared for success in college, a career, or the military.
