

Lever **3** Positive School Culture

Campus systems support positive school culture through explicit behavioral expectations, school-wide culture routines, proactive and responsive student support services, and involved families and communities.

Essential Action:

3.1 **Explicit school-wide behavioral expectations and culture routines**

- Campus instructional leaders provide clear expectations, training and support so that teachers implement best practices for establishing and maintaining a productive classroom learning environment throughout the school.
- Staff implement clear school-wide procedures and provide opportunities for practice that ensure safe and efficient student transitions and gatherings.
- Campus leaders establish and ensure all staff and students understand a system of incentives and consequences and consistently implement the system with fidelity.
